Purification of Soul

This afternoon I went to the kitchen, and Joan was there. She'll often hear something on the news, some atrocity committed by one nation against another. Or someone will have made a personal attack in the political arena. She asked me, "Why? Why do they fight?"

I said the thing that we both know: "It's part of the purification system that God set up."

The lower worlds have the elements of the positive and negative forces. The process of spiritual perfection is finding the neutral force, the balance between the two. When this balance is found, it marks a certain stage of enlightenment.

When that occurs, Soul will never again need to come back to earth.

I say "never again" with this exception: Soul may come back to serve others here as a Co-worker with God. The option is open—to serve as a Co-worker with God, either here or in one of the other worlds.

This is the whole point of life—to find the purification of Soul.

My Introduction to ECKANKAR

More than 46 years ago a friend invited me to a University of Delaware presentation on ECKANKAR. Unable to go to the presentation, I attended the follow-up book discussion at the University.

The discussion, led by Ken Lingo, was on a book titled "The Key to Secret Worlds" by Paul Twitchell. After the first class laughter and songs were my companions on the way home.

Suddenly, I happily realized that I had found something significant I didn't even know I was seeking.

Before the six-week book discussion concluded I had joined ECKANKAR and have been a grateful member ever since. **MAY THE BLESSINGS BE!**
