<i>April 18, 2021</i>			<p><b><i>Theme: The ECK Masters: Here to help.</i></b></p> <p>Adjustments to the discipline that the Mahanta suggests is the better way for the chela. It must be taken seriously and rigidly followed. This is what is known as the narrow way. One does not fit himself into this narrow way but he adjusts himself accordingly. He does the best he can without upsetting or disturbing his own way of life. Until he does this, time is wasted in trying to find himself and what the Mahanta is willing to do for him to assist him spiritually in this world.</p> <p><i>The Shariyat Ki-Sugmad Book 1 &amp; 2, pg. 140</i></p> <p><b><i>Host: Arnold</i></b></p>	<a href="mailto:lloydla@verizon.net">lloydla@verizon.net</a>

<p>August 15, 2021</p>	<p>Afum</p>		<p><b>Theme: Thriving Spiritually in the world today.</b></p> <p>Every ECK chela must grasp the tools of the spiritual works of Eckankar in the field of mystical experiences. He must know there are two types of spiritual experience, both of which are found in the works of ECK. First is the extrovertive spiritual experience, and second is the introvertive type. Both are attempts at the apprehension of the full experience of the divine reality. But they are reached in different ways. The extrovertive way looks outward, through the physical senses into the external world, finding there the greater experience of the divine reality. The introvertive way turns inward, with an introspective manner of seeing through the inner senses and eyes to find the greater experience of the divine reality beyond the human consciousness. Naturally, this type of experience should outweigh the extrovertive way in importance. In the course of human history, the introvertive way becomes a major resource to depend upon for decisions and changes of events and nations.</p> <p><i>The Shariyat Ki-Sugmad Book 1 &amp; 2, pg. 202</i></p> <p><b>Host: Afum</b></p>	<p>afumnse@aol.com</p>

December 19, 2021			<p><b>Theme: <i>The Call of Soul</i></b></p> <p>The collective body of initiates work for a common cause, to assist the Mahanta, the Living ECK Master to spread the message of Eckankar to all worlds including the physical universe. Each is a channel within himself, not a spiritual medium, but that through which the ECK power reaches the world. The initiate channels the power to uplift and enlighten all those within the worlds who have not been touched by the divine message of ECK.</p> <p><i>The Shariyat Ki-Sugmad Book 1 &amp; 2, pg. 478</i></p> <p><b>Host: <i>Kappel</i></b></p>	<p><a href="mailto:Nirvikapa@yahoo.com">Nirvikapa@yahoo.com</a></p>
